

Full Service Coverage Agreement

This agreement is effective on 9/17/2025 and is

Between: **Advanced Imaging Services, Inc.**, a corporation organized and existing under the laws of California with its head office located at 17410 Murphy Parkway Lathrop, California 95330.

And: **Diagnostic Medical Group**, herein known as ("Client"), a corporation organized and existing under the laws of California with its head office located at 125 Wheeler Ave. Suite A Arcadia, CA 91006.

Advanced Imaging Services is in the business of service, supply and operation of products and services relating to Magnetic Resonance Imaging, Positron Emission Tomography and Computed Tomography Scanners. This agreement contains Advanced Imaging Services terms of engagement, and pertains to the levels of service, response time and coverage Advanced Imaging Services agrees to provide. In consideration of the mutual covenants and agreements herein contained, the parties hereto, intending to be legally bound to this agreement.

Terms of Agreement

Subject to the provisions set forth below, this agreement shall commence on 9/17/2025 and remain in full force and effect for a period of **60 months** thereafter. Client shall pay Advanced Imaging Services aggregate annual service fees in the amounts specified within the table "*Equipment and Locations*".

Client shall return an executed agreement to Advanced Imaging Services, along with a deposit for the first service fee payment in the amount specified within the table "*Equipment and Locations*". Either by wire transfer of immediately available funds to a bank account directed by Advanced Imaging Services or via company check. If Client fails to execute this agreement, the terms and conditions set forth in this agreement shall be null and void.

Advanced Imaging Services shall provide certain services pertaining to equipment specified within the table on page 2, titled "*Equipment and Locations*", provided the equipment remains within the Client service area, to include California. Advanced Imaging Services will inspect the equipment and this agreement shall be effective only after Advanced Imaging Services has determined that the equipment is safe, the operating conditions are in compliance with original equipment manufacturer specifications and there is a schedule of serial and model numbers of all equipment components. Advanced Imaging Services will provide replacement parts required to repair or maintain equipment, which may be provided on a new or exchange (refurbished) basis. Will inform Client when refurbished or alternative parts are used. Functionally equivalent used parts may also be used when necessary to maintain the operation of the equipment. All parts are provided on an exchange basis. Thus, all replacement parts shall become the property of the Client, and all damaged parts that have been replaced become the property of Advanced Imaging Services.
